The *Faculdade de Letras da Universidade do Porto* has been involved in the testing of students for the University *Erasmus* programmes since 2004 and the English teaching staff are all experienced teachers who are familiar with the CEF Language levels. Staff have taught on Cambridge ESOL courses, and many have been actively involved in testing on Cambridge IELTS and CPE, CAE, and FCE examinations. The University tests have recently been restructured and all students are now required to take a Use of English test (45 minutes), a Writing test (45 minutes) and an individual Speaking test (12 minutes). The tests are different each month.

The following table is to illustrate how these tests are marked and how they relate to CEF levels and to the IELTS levels and other examinations run by Cambridge ESOL. It should be noted that all Portuguese National exams at secondary level and all higher and further education exams are marked out of 20 in Portugal.
